

KINDERGARTEN PROGRAMS

JUNIOR BIG LAB SCIENTIST

Let's go explore science! Observations, gravity, states of matter, air resistance... What on Earth do these words mean? Learn all this and more as you investigate science using our Big Lab where you can drop things from the Mega Tower, test boats in the Water Works pool, and make balls fly high in the air at the Bernoulli table!

Introduce your child to the exciting world of science with our kindergarten programs! Children will explore and experience science with fun, hands-on activities. All children enrolled in kindergarten programs must be entering kindergarten in Fall 2023. Children must be comfortable with a classroom environment and be able to stay without a parent or guardian for the 2½-hour class.
